

Manage and control multiple Panasonic PTZ camera presets

AW-SF300

Panasonic's Visual Preset Software adds intuitive GUI-based operation to the free to download PTZ Control Centre software. This enables the management and control of PTZ camera presets whilst incorporating photos and layout diagrams assigned by the user.

Key Features

Adds intuitive GUI-based operation to the free to download PTZ Control Centre software

Enables the management & control of multiple Panasonic PTZ camera presets using a centralised PC
